" The discussion with the MC members for Mandal case was done and all presentees agreed that Vikas Bhatia the lawyer has to be called on wednesday evening to discuss the subject issue

* In case of rains - the police & court has dropped criminal charges on him. The MC decided to change the lawyer from Vikas Bhatia and change to different lawyer.

* Mandal Case: There are contradictions in this case. Mandal has given in writing that he has no claim against Kung Vikar Society. After a week, he has filed case against Society. The order, stated to be from labour court, has no stamp or letter head. It seems to be fake.
